

Company: Daugharty Group Inc.  
Position: Electrician  
Candidate Name: Jack Campbell  
Date Report Generated: July 10, 2017

Jack Campbell is a possible match to the personality requirements for the Electrician position at Daugharty Group Inc.. If the candidate meets all other screening criteria for the position consider scheduling an interview with the candidate, particularly if there are few other applicants who exhibit a good personality fit for the position. To better prepare for the interview also consider ordering a full Prevue Selection Report for this candidate to provide you with:

- Interview questions to probe specific areas where the candidate's job fit is an issue.
- Details of the candidates strengths and potential challenges in fulfilling the demands and requirements of the position.
- Information on the candidate's match to the learning speed (cognitive abilities) required for the position; and
- The candidate's match to the motivational interests required in the position.
